```

Output:

Signup

A mobile app UI mockup for a Signup screen. It features a light beige background. At the top, the word "Signup" is centered in a bold, black, sans-serif font. Below the title, there are four input fields stacked vertically, each with a light beige background and a thin grey border. The first field contains the text "rimsha aqeel". The second field contains "Rimsha15@gmail.com". The third field contains "+92-341-876543". The fourth field contains "....." followed by a cursor. Below the input fields is a dark brown button with the word "Signup" in white, bold, sans-serif font.

← Login

A mobile app UI mockup for a Login screen. It features a light beige background. At the top, the word "Login" is centered in a bold, black, sans-serif font. Below the title, there are two input fields stacked vertically, each with a light beige background and a thin grey border. The first field contains the text "rimsha15@gmail.com". The second field contains "....." followed by a cursor. Below the input fields is a dark brown button with the word "Login" in white, bold, sans-serif font.
